

DR. VICTORIA MATTINGLY

AUTHORITY ON ALLYSHIP, WORKPLACE INCLUSION, AND MENTAL HEALTH

Dr. Victoria Mattingly (Dr. V) is a workplace inclusion and allyship expert, author, and globally recognized keynote speaker.

With a PhD in organizational psychology and lived experiences as a mental health warrior, cancer survivor, and woman with alopecia, Dr. V brings both academic expertise and personal insight to every stage she steps on.

Whether she’s speaking on allyship, workplace mental health, or inclusive leadership, Dr. V empowers audiences to show up more bravely and compassionately—for themselves and others.

SIGNATURE KEYNOTE TOPICS

Act Like an Ally, Work With an Ally

Based on her critically acclaimed two-in-one book, this keynote explores how allies and partners can co-create more inclusive spaces across lines of difference.

Mental Health in the Workplace

Through personal storytelling and psychological science, Dr. V normalizes conversations around mental illness and teaches how to foster psychologically safe workplaces.

Visible Differences at Work

What happens when your identity is on display—whether you choose it or not? In this deeply personal keynote, Dr. V shares her journey navigating alopecia and other visible differences to explore how appearance, stigma, and bias shape the workplace experience.
